Profile

Hello, I am a self-taught front-end developer. I'm currently pursuing a Bachelor's degree in audiovisual and communication at the University of Ibn Tofail. I'm excited to combine my passion for design with my front-end development skills.

Experience

Graphic designer
Aug 2023 - Sep 2023   // *Nait Concept, Kènitra, MA*

During my brief tenure at Nait Concept, my primary responsibility involved the creation of graphic elements, with a particular focus on designing stamps. Additionally, I contributed to the company's marketing efforts by producing advertising sliders. Furthermore, I had the opportunity to craft a compelling slideshow for the company's new backpack brand.
